## Older Adult Intensive Outreach (Aging Supportive Services)

Syntero's Older Adult Intensive Outreach Program serves residents age 60+ living in an independent living environment in 12 northwest Franklin County zip codes. Using aging-in-place and outreach models, Syntero's supportive services include, but are not limited to:

- Navigating daily living, personal, social, health, legal and financial challenges.
- Providing information, access and resources related to human services; healthcare; alternative housing; community and government benefits; navigating complex social, insurance and medical systems; transportation; food assistance and social connections groups.

## Caregiver Support Program

Syntero's Caregiver Support Program puts the focus on the caregiver helping to make their admirable role less stressful and challenging by providing education and resources that enable caregivers to better focus on meeting the needs of their loved ones.

## Older Adult Volunteer Program *Currently on hold for redesign.*

Syntero's Older Adults Volunteer Program makes a valuable contribution to the agency's older adult clients by providing carefully-screened and thoughtfully-matched volunteers who serve as friendly visitors and callers, drivers, and/or errand runners who also help with occasional chores.

## Older Adult Outreach Counseling in Delaware County

Syntero provides mental health and substance use disorder treatment to older adults in Delaware County through a partnership with SourcePoint. Providers help link clients with community resources and promote the aging-in-place/recovery/ living-in-community treatment philosophy emphasizing independent living and functioning.
